

This is how the church's website home page looks.

To add the next-live-service information, edit the following post: (note that this is intentionally a 'draft' post.)

The post is composed of four lines. Each line has two parts. An item name, and the value of that item.

The name **MUST** be lower case and spelled correctly.

The value **MUST** be enclosed in parentheses.

Proper syntax: name(value)

This post is interpreted by php server-side code and will not work if above rules are not followed.

-- line by line:

servername(name of service)

Example: "Good Friday Candlelight Service," or "Community Advent Service," or "Holy Conversation"

datetime(date time)

- date must be formatted as **month/day/four-digit-year**

- time must be formatted as **hours:minutes**.

- Time can be in 24 hour mode, or in 12 hour mode with "am" or "pm" added. Actually, you never need to use "am" because the digits are the same in 12 or 24 hour mode. You only need to use "pm" if you express a time in the afternoon or evening in 12 hour mode.

- There must be a space between date and time, and a space between time and "pm" (if used.)

duration(hours:minutes)

duration can be expressed as minutes or hours:minutes. Editors choice.

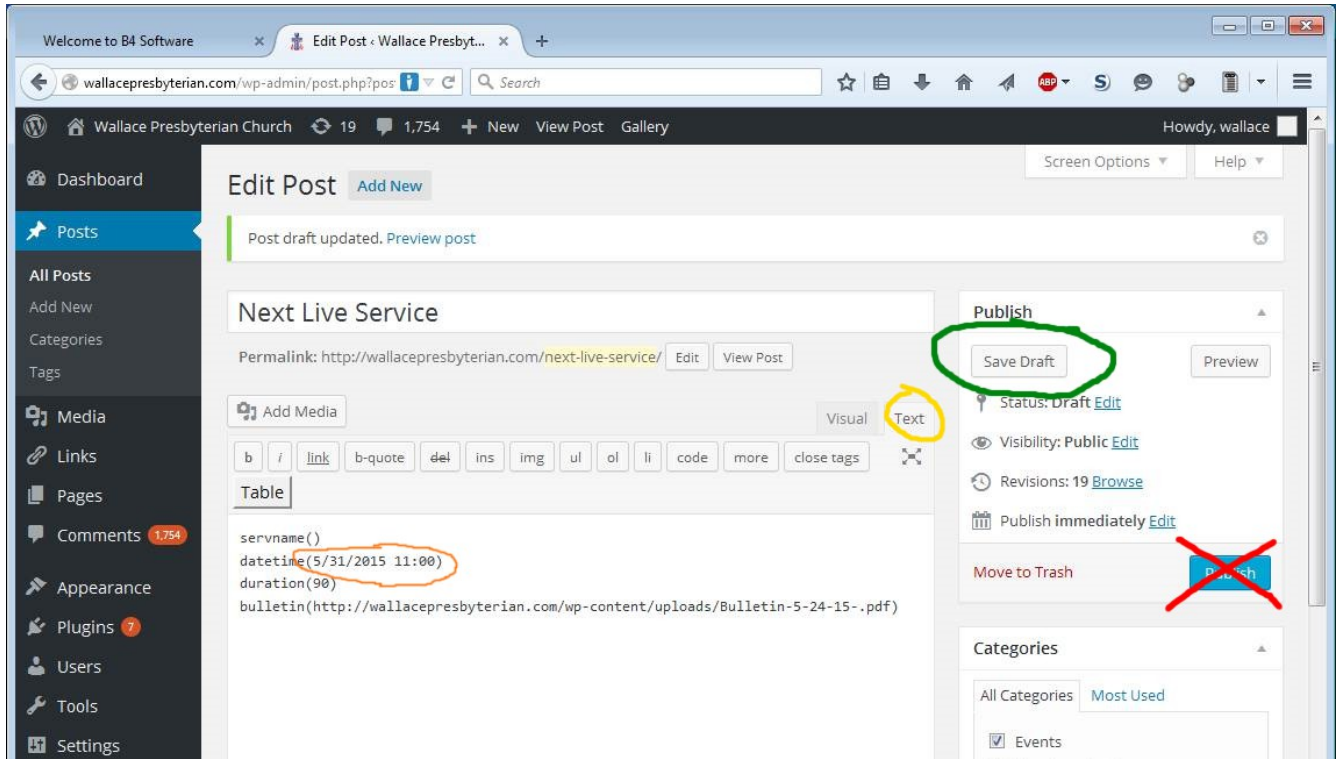

bulletin(link-to-bulletin.pdf)

The fully qualified URL of the bulletin on the WPC website. It will look something like this:

<http://wallacepresbyterian.com/wp-content/uploads/bulletin-file-name.pdf>

This is not needed if the "Sunday's Bulletin" post has a direct link to the bulletin in it. Otherwise, fill this in.

Just to be safe, edit this post in 'text' mode. If you only put in 'datetime'...

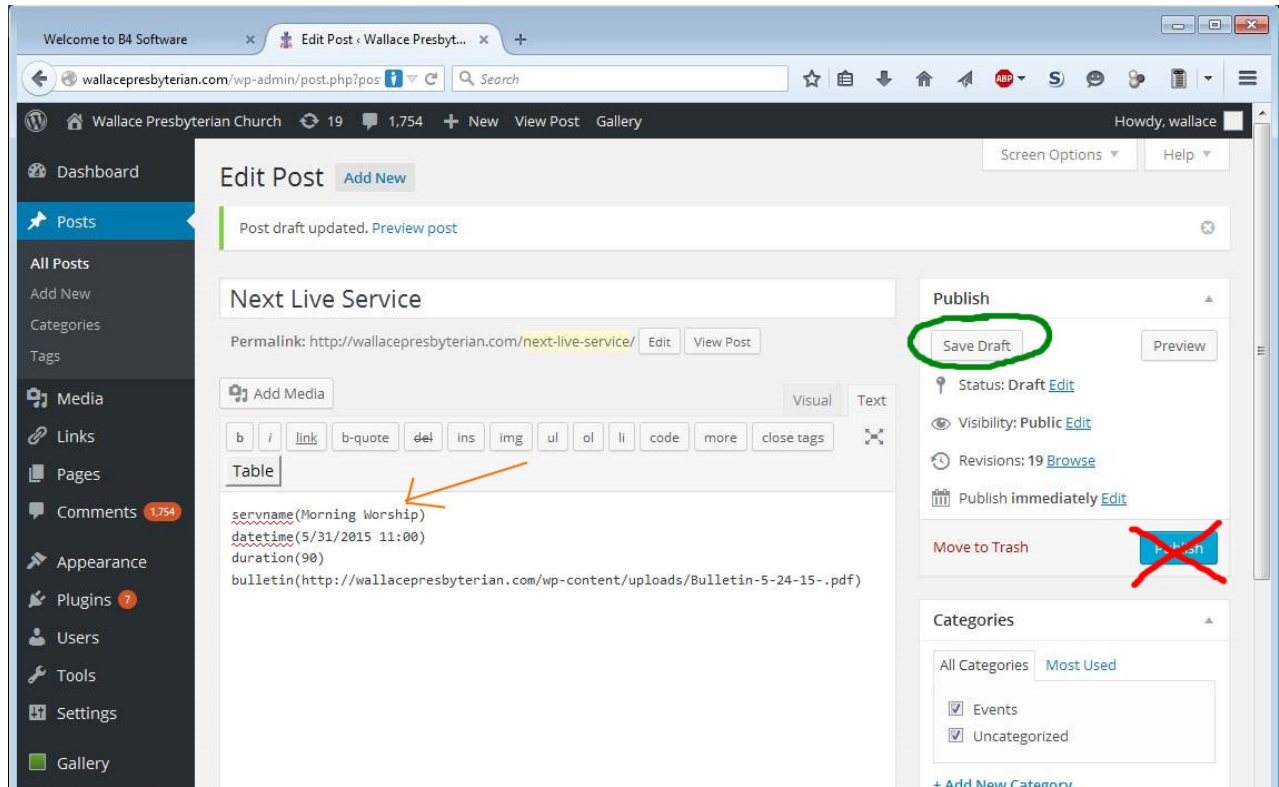

You get this:

Save Draft. Do not Publish

When the Name of the Service “servname” is also filled in:

The homepage displays that as well:

Save Draft. Do not Publish

On the day of the service, a countdown line is added, and the bulletin is displayed below the main church picture.

The screenshot shows a web browser window displaying the Wallace Presbyterian Church website. The browser tabs include "Wallace Presbyterian Church", "open office writer crop im", and "Cropping, resizing, rotatin". The address bar shows "wallacepresbyterian.com".

The website header features the church logo and the name "Wallace Presbyterian Church" in green, with the tagline "Connected and empowered by the Holy Spirit for Worship and Service". A green navigation bar contains links for "home", "about us", "leadership", "church organization", "ministry", "sermon", "bulletin & newsletter", and "contact us".

The main content area is split into two columns. The left column displays the "Next Service Morning Worship" on "Sunday, May 31, 2015, 11:00 am", with a "Streaming begins in 1 hour, 36 mins, 47 secs" countdown. Below this is a large image of the church building and stained glass windows.

The right column features a "Watch our Services" section with "Live" and "Past Services" options, and a "Events" list. The events list includes:

- P.E.P. (Presbyterian Enrichment Program) On Break
- May 31 Jack Holley Blood Drive, Sunday, May 31

The bottom section of the page is titled "WALLACE PRESBYTERIAN CHURCH" and provides the address "205 West Main Street • Wallace, North Carolina 28466" and phone number "(910) 285-2808". It includes the website "www.wallacepresbyterian.com" and mentions support for Presbyterian Church (USA) mission co-workers, Rev. Dustin and Sherri Ellington, in Lusaka, Zambia, Africa. A note asks visitors to "Please silence your cell phones." and states "All who are able may stand." The service is for "THE SERVICE FOR THE LORD'S DAY Day of Pentecost" on "May 24, 2015" at "11:00 A.M." with the theme "GATHERING OF GOD'S PEOPLE".

A "Day of Pentecost" graphic shows a dove and flames. A box notes "The congregation is asked to remain silent during the". A "Welcome!" section follows, celebrating the church's 125th anniversary on November 8, 2009, and mentioning the church's location at the corner of W. Main and S. Raleigh Streets.
